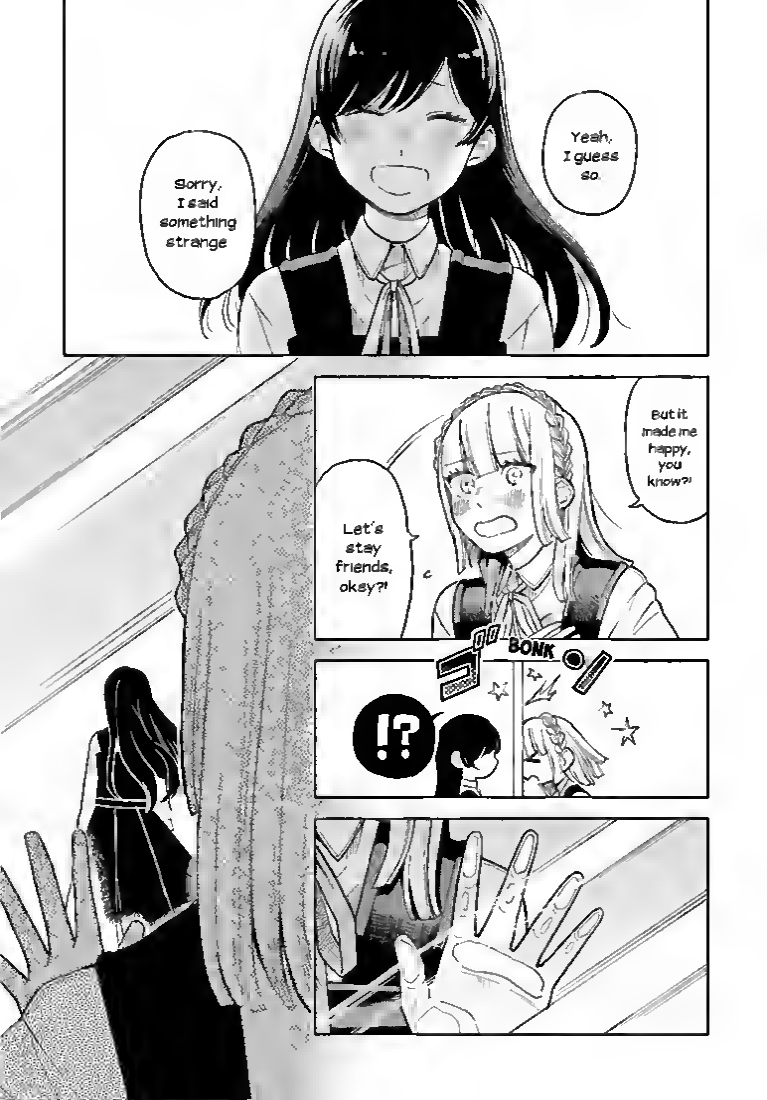
THAT I WOULD BE FINE EVEN IF SHE DIDN'T GIVE ME THAT ANSWER.

Kiss and white lily for my dearest girl
a newly written comic.

真夜中と群青

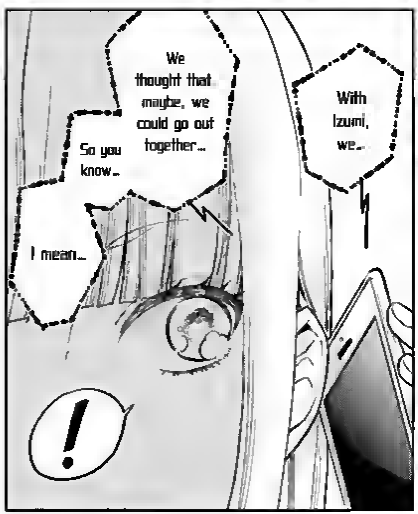
Deep Night and Marine Blue

Or didn't want to look me in the eyes
Or kiss me...
Forgive me
Or touch me...
I..
I don't think I can give you
what you are looking for

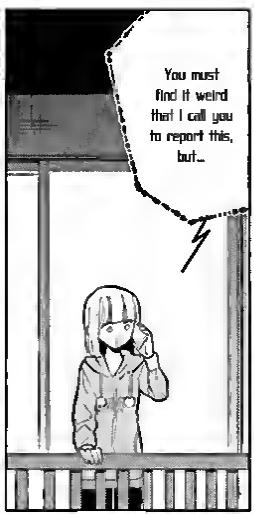


Sorry, I said something strange
Yeah, I guess so.
Let's stay friends, okay?!
But it made me happy, you know?!
BONK
!?

TO BE UNABLE TO RETURN THEIR FEELINGS TO PEOPLE WHO LOVE ME
I MUST REALLY BE... A GOOD FOR NOTHING
So... Hum...
Chiharu
千春



We thought that maybe, we could go out together...
So you know...
I mean...
With Izumi, we...
!



You must find it weird that I call you to report this, but...

Oh, my...
My Chiharu was taken away from me.
.....
Sorry, did I make you mad?
Not that much.
My bad.
I was barely joking.
But I guess I'm no match for Izumi, huh.
But I'm still 110 times more happy than sad!
SUN
EARTH
That's as big as the difference in diameter between the Sun and the Earth!
It's huge!
I know. I know.
Hey, Chiharu
I may not be one to say this, but...

Continue to live happily, okay?
You don't even need to tell me.

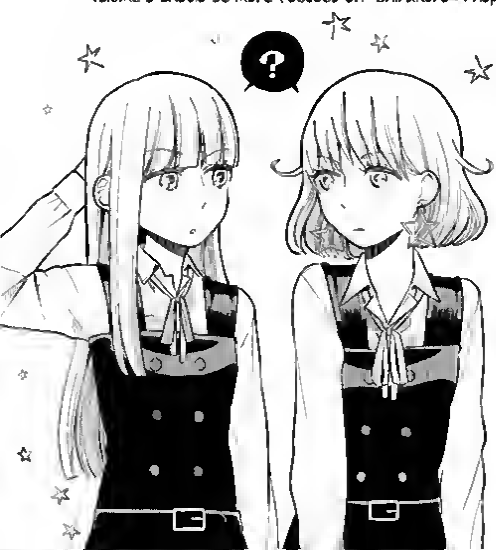
Postscript

Hello Canno here. This is a fish
Thank you for grabbing volume 2 of «A Kiss and a White Lily for Her»

While the first volume told of a meeting, the second one is the story of a parting. The end of high school may be a period of deep change, but what's really important may not change that much.

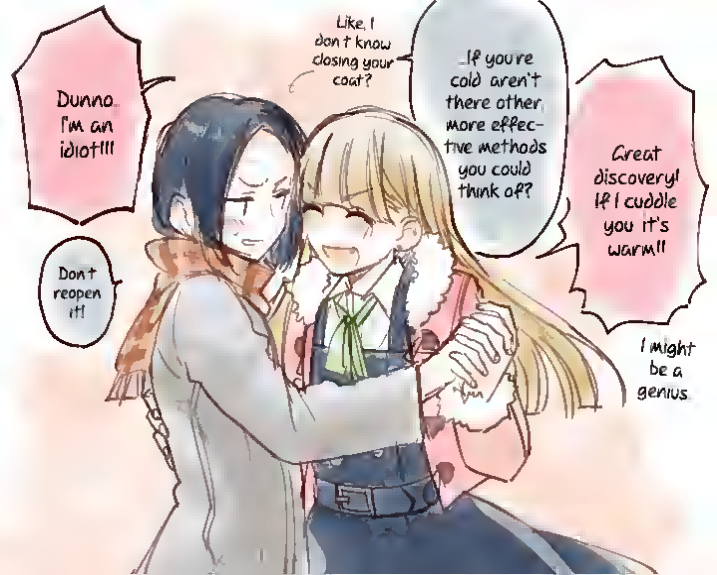
Many thanks to my editor, to the editorial department of Comic Alive, to Seki, the designer, to Kanarashi who helped with the manuscripts, to my family and friends and all the people who got involved in the creation of AnaKiss

Volume 3 should be more focused on «ShiraKuro». I hope we can meet again soon



Canno

Izumi was initially supposed to be meaner, but before I noticed she had just become an idiot. She was supposed to ride a motorbike too



Dunno I'm an idiot!!!
Like, I don't know closing your coat?
...If you're cold aren't there other more effective methods you could think of?
Great discovery! If I cuddle you it's warm!!
I might be a genius
Don't reopen it!
